### Walk 3a. Circular walk via Soar

Duration: 2 - 2.5 hours

### Directions:

1. Leave Barcdy via either of the 2 footpaths up through the woods. Go through the gate in the wall and turn right.
2. Walk up the steep hill and turn right at the telephone box.
3. After approx. 200 metres take the higher road to the right and carry along this road (wonderful views), past farm buildings to a farmyard on the right. [NB it is possible to approach this point from Barcdy via a public footpath, but this is dependent on livestock, condition of the farmyard and walking a short section along the main road.]
4. At this point there are 2 options:
  - a) Take the footpath a short distance on the left (again watch out for livestock) and head diagonally across the field, cross over a ladder stile and keeping in the same direction pass through a copse of trees and make for the small gate in the stone wall. Go through this and head down to the houses and a small playground, or...
  - b) Continue along the road for approx. 0.75 km. The road will drop down into Talsarnau. Before reaching the main road take the road to the left signposted Soar. Climb up quite a steep hill and follow the road until you reach the playground.
5. Continue along this road past houses and drop down through the woods until you reach the lower road. Turn left and continue back to Barcdy (approx. 2 km.)

### Directions:

1. Follow Walk 3a. 1 - 4
2. If you chose option a) turn right at the playground and walk along the road for approx. 200 metres until you reach a footpath sign on the left. If you chose option b) you will find the footpath sign on your right approx. 0.5 km up the hill.
